| <input type="checkbox"/> | All types of other waste |
| <input type="checkbox"/> | Only certain types of other waste (specify below) |
| Specify the types of other waste (specify waste codes if possible) | |

Description of business

Short description of the business

Information regarding mode of conveyance and certification

The waste will be transported by

- General cargo transport
- Container or bulk transport
- Tank container transport of hazardous waste classified as dangerous goods
- Tank container transport of material other than hazardous waste classified as dangerous goods

Certifications for the company

- We assure that our vehicles have approved certificates for tank container transport (if the tank container transports requires this)
- We assure that all our vehicles, to be used for the transportation of waste, are covered by third party insurance. We also assure that the business has liability insurance that covers the liability that carriers may be subject to. (For example, in the case of environmental damage that does not fall under the Swedish Traffic Damage Act's regulations and therefore is not compensated from the third party insurance)

Has a valid ADR certificate

- Yes
- No

IMPORTANT – Obligatory attachments

<input type="checkbox"/>	Attach a copy of a driver's ADR-licence with the application (if you checked yes in the ADR box above).
<input type="checkbox"/>	Attach a copy of your company's European conveyance of goods permit (normally a blue piece of paper).
<input type="checkbox"/>	Attach a copy of your company's latest financial report.
<input type="checkbox"/>	Attach a copy of the receipt of the payment of the fee. Currently the fee is 1350 SEK for transport of other waste, 2300 SEK for transport of hazardous waste or 2300 SEK for transport of both hazardous and other waste. IBAN is SE81 1200 0000 0128 1011 1057 and swift code DABASESX for abroad payments. Please write: "Transport avfall", and company name, to the payment receiver.
